Approval for special circumstances regarding absences must be approved by the administration.

Coaches may institute sport-specific, non-disciplinary rules which exceed NMAA regulations and school regulations, as long as these rules do not conflict with Independent School District #2 Policy, NMAA guidelines, and state, and federal law.

I agree to abide by all the rules and regulations adopted by ISD#2 and the NMAA. I also understand that each coach may have other rules and procedures by which I must abide. If I have questions or concerns, I know that I must contact my **coach first**, then the **Athletic Director**, to resolve problems before I go to the **Principal**, **Superintendent**, and **School Board**.
